

Application Form

Applicant first name

Applicant last name

Applicant email

Project lead name

Project lead email address

Project lead phone number

Library service

The name, address and postcode of the library you want to involve in the project

Profile of the library, description of community it serves, average footfall and anything else relevant to this project

Have you heard of the term Protected Sites?

(Your answer won't affect the outcome of your application)

- Yes
- No

Do you know where your nearest protected sites are?

(Your answer won't affect the outcome of your application)

- Yes
- No

What is your knowledge of Natural England?

(Your answer won't affect the outcome of your application)

- I know a lot about Natural England
- I am aware of Natural England
- I don't know anything about Natural England

Are you currently working with any other environmental or nature groups? Please list

Please describe your proposed project

Which audiences will you target for this project?

Outcomes: of the following, please select the five outcomes that are most important and prioritise them from 1 to 5

(1 being most important)

- Increase people's connections to nature
- Raise awareness of protected sites
- Improve people's wellbeing
- Improve the environment in and around the library
- Increased social cohesion and pride in place
- Improve staff skills and/or confidence
- Provide CPD for library staff
- Reaching underrepresented audiences
- Increase people's understanding of environmental, sustainability or climate issues

What changes will this project bring to local environment?

Please list any partners you would involve or commission to support the project from:

- Health and wellbeing
- Environment
- Arts and culture

What other resources are you planning to use to support the project?

e.g.: expert staff or volunteers or existing clubs or groups such as gardening clubs linked to the library?

What will be the legacy – how will you continue to connect people with nature after the project?

Please provide a brief budget breakdown for your project

(Please include £500 (inclusive of taxes) for Natural England Training within your budget which must not exceed £6000 (inclusive of all taxes).
